

The Seasons

Spring starts on the 20th of March.

I enjoy bicycling everywhere in the countryside.

Flowers start growing.

The days are longer. Daddy makes bread in the oven. He names this bread the “spring bread”.

In Summer the days are hot.

Schools are closed.

Holiday makers go to the beach.

I enjoy swimming and riding a quad.

I love summer.

Mummy makes special summer salads.

In Autumn the leaves fall from the trees.

There are chestnuts and mushrooms in the forests.

I like walking there and looking for them.

I am back to school.

It often rains.

Daddy makes mushroom cream soups.

In winter I always go to the mountains to ski.

I often catch colds in winter.

On Christmas Day, I receive a lot of presents.

Mummy cooks a turkey for Christmas Eve.
